I am in great need of Devine healing. As a man thinks in his heart so is he. Choose Right.

Clear and concise

Kenneth Hagin writes from experience with understanding of what holds us back from receiving all God wants to give us. Faith is the key. Believe what God says through Scripture and you will receive all He has promised.

Wrong thinking**

Hinders our blessings from God's. This book is worth buying and as a reference in your time of need during times of spiritual weakness.
